there is growing interest in the history of accounting amongst both accounting practitioners and accounting academics this interest developed steadily from about 1970 and really took off in the 1990s however there is a lack of texts dealing with major aspects of accounting history that can be used in classrooms to inform new researchers and to provide a source of reference for established researchers the great deal of research into cost and management accounting in Britain published in academic journals over the last twenty years including the authors own contributions makes the history of cost and management accounting an essential contribution to the field

whether students pursue a professional career in accounting or in other areas of management they will interact with accounting systems in all organizations managers rely on management accounting systems to provide information to deal

with changes in their operating environment this book provides students and managers with an understanding and appreciation of the strengths and limitations of an organization's accounting system and enables them to be intelligent and critical users of the system the text highlights the role of management accounting as an integral part of the organization's strategy and not merely a set of individual concepts and computations an analytical framework for organizational change is used throughout the book to underscore how organizations must adapt to create customer and organizational value this framework provides a way to examine and analyze the organization's accounting system and as a basis for evaluating proposed changes to the system with international examples that bring the current business environment to the forefront problems and cases to promote critical thinking and online support for students and instructors management accounting in a dynamic environment is no mere introductory textbook it prepares readers to use accounting systems intelligently to achieve organizational success the authors have identified several cases to accompany each chapter in the textbook these are available through [ivey publishing iveycases.com/casematebookdetail.aspx?id=434](http://iveypublishing.iveycases.com/casematebookdetail.aspx?id=434)
